- (1) The Town Vending Committee shall determine Vending activities on time sharing basis depending on the market needs.
- (2) The women Vendors shall not be discriminated while allotting time-sharing Vending activities.

27. Principles for determining Vending zones-

- (1) There shall be no restriction free Vending zones in the city and no Vending Zone should be minimal.
- (2) The Town Vending Committee shall within a period of six months from the date of the publication of this Scheme identify the "*Vending zones*", "*Restricted Vending Zone*" and the "*No Vending Zones*" for street vending and shall publish the details in the notice board of the local authority concerned.
- (3) The Town Vending Committee shall identify Vending Zones in consultation with the Traffic Police or Police having jurisdiction over the area concerned. The Police may recommend a place to be a vending zone, the Local Authority concerned may accept, modify or reject the recommendations with due reasoning and designate a place or location as vending zone, as it deems fit.
- (4) The Town Vending Committee shall decide a particular Street or market as Vending zone or no Vending zone on the basis of the following considerations, namely:
 - (a) There shall not be any totally restriction-free-Vending zones in the City. The holding capacity of an area would put the ultimate limit on the number of Street Vendors which can be positioned in any area. However, there shall not be any restriction on mobile Vending in such area if Vendors continuously move without affecting traffic and commuter movements.
 - (b) Restricted Vending zones should be linked up with the road width keeping in view the following aspects, namely:-
 - (i) there shall not be any Stationary Street Vending on a road having width up to 3 meters. But Street Vending can be allowed in such road if it is declared as no vehicular road;
 - (ii) there shall not be any Stationary Street Vending on a road having width between 3.5 meters to 4 meters. However, Street Vending shall be allowed if such road is declared as one way vehicular road;
 - (iii) there shall be only one side Stationary Street Vending on a road having width between 5 meters to 9 meters, while both side Stationary Vending shall not be allowed unless the street is having road width of 30 meters and above;
 - (iv) the number of Street Vendors shall be decided by considering holding capacity of each designated Vending area on such a road;
 - (v) Such Stationary Vending shall be allowed after taking the clearance from traffic police regarding the smooth vehicular and pedestrian movement. If required, road side parking shall be banned in such area where Street Vending is allowed;
 - (vi) mobile Vending shall be allowed on such road looking to the traffic and pedestrian movement; and
 - (vii) a suggestive road design is provided in the Annexure (page 34) appended to the Scheme.
 - (c) In the No Vending zones, the Town Vending Committee may decide the distance to be kept free from Street Vending near the important Government Offices like the Secretariat, Deputy Commissioner, Municipal Corporation, Court and any other Government places attracting a high footfall at its discretion taking into account the specifics of the area concerned.
 - (d) The Town Vending Committee shall determine special vending zones, for a fixed period, during festival, considering the local as well as general importance or relevance of the festival.

- (e) Any person aggrieved by the designation of the vending zones in an area shall be entitled to make a representation to the Town Vending Committee concerned, the Committee shall consider the same and dispose within a period of 30 days from the date on which the representation is received or in the next meeting of the Town Vending Committee, whichever is earlier.
- (f) The identification of vending zones and no-vending zones shall be periodically reviewed by the Town Vending Committee once in three years particularly with reference to the growth or otherwise of the traffic and other developments in the area.

28. Principles for determining holding capacity of Vending zones and undertaking comprehensive census and survey -

- (1) Sub-section (2) of section 3 of the Act provides that two and half percent (2.5%) of the population of ward or zone or Town or City shall be accommodated in the Vending zones.
- (2) The holding capacity will indicate the maximum number of Vendors that can be accommodated in a defined Vending zone. This shall be calculated on the basis of total area available for Street Vending divided by the standard unit size decided by the Town Vending Committee. The Town Vending Committee may follow criteria for this purpose, namely:
 - (i) a maximum of 2.2 sq. meters area as 'Vending area' shall be provided to each Vendors/ hawker with dimension of 1.8 meter x 1.2 meter;
 - (ii) passage of 1.0 meter width in front of stalls / push carts shall be reserved as 'extension' for consumers/ users to stand or buy the goods;
 - (iii) a walkway/ footpath of 1.0 / 2.0 meters width shall be provided for pedestrians in front of extension space depending on the width of the road;
 - (iv) the carriageway shall not be allowed to be used for Street Vending;
 - (v) if the width of road permits, Street Vending may be allowed on both sides of the road; and
 - (vi) no Vending activity shall be allowed at a distance of thirty meters from any junction, exit or entry of road.

29. Criteria for relocation -

The following criteria shall be adopted for relocation, namely:-

- (i) relocation shall be avoided as far as possible, unless there is clear and urgent need for the land in question;
- (ii) affected Vendors or their representatives shall be involved in planning and implementation of the rehabilitation project;
- (iii) the Town Vending Committee shall engage in the dialogues with the representative of the markets;
- (iv) a mutually agreed place for relocation should be considered under the implementation of the rehabilitation project;
- (v) affected Vendors shall be relocated so as to improve their livelihoods and standards of living or at least to restore them, in real terms, to the income potential of the site before the eviction;
- (vi) livelihood opportunities created by new infrastructure development projects may be used to accommodate the displaced Vendors so that they can make use of the livelihood opportunities created by the new infrastructure;
- (vii) any kind of loss of assets shall be avoided;

- (viii) any transfer of title or other rights in land shall not affect the interest of Street Vendors on such land and any relocation consequent upon such a transfer shall be done in accordance with the provisions of this scheme;
- (ix) area where Street Vendors have conducted business for over fifty years shall be declared as natural markets and the Street Vendors in such markets shall not be relocated; and
- (x) the Local Authority shall prepare a list of such markets and declare them as 'Heritage Market'. The Local Authorities in collaboration with the Tourism Department shall promote such markets as Tourist Markets by incorporating such elements as may bring in a local flavor or create a local ambience.
